

Weebly On-Line Slideshow Assignment

Due date: _____

This project requires you to do some research on a career choice related to your placement. You will be creating a computer based slideshow on-line through the weebly website. You will need to include a variety of information and are asked to be creative. Have fun with it and please put a strong effort into this assignment since you should be proud to show off the skills and knowledge you have gained during co-op this semester!

PURPOSE OF THE ASSIGNMENT

- Explain and illustrate some of the work you perform at your co-op site
- Inform and educate others about the occupations in a career field related to your co-op site
- Represent your co-op employer in a professional manner

NOTE: Take the initiative to discuss the project with your co-op site supervisor. You need to check to be sure you are allowed to include pictures or videos of co-workers, students, equipment etc...

FINISHED SLIDESHOW MUST INCLUDE:

- Detailed information about the history of the business/organization you are working with (when it started, mission statement, logo, changes over time, description of staff/equipment etc...)
- Contact information (name, job title, phone number, website etc... of the owner/manager/supervisor)
- Pictures (illustrating where you work, what you do, equipment, materials, etc...)
- Videos (links to videos on-line related to your placement, videos you create and upload yourself!)
- Sound (a song or recording related to your co-op placement)
- Education & career awareness information (details about training/educational requirements of workers in this field, information about college or university programs that offer training in this area)
- Extra/bonus material (share something extra, interesting or educational related to your co-op experience)
- Use of a variety of colour, graphics, backgrounds, animations etc...
- Creativity, overall effort and professional appearance (impress us with what you can come up with!)

❶ View the youtube video on weebly called “Logging into your weebly account”
