www.homeworkhelp.ilc.org

Step #2 - Enter your information

Username:

Password:

- ❖ *It is strongly encouraged that students choose a Username that allows them to remain anonymous.*

Step #3 - Your e-mail address

- ❖ *Please enter a valid e-mail address...*
- ❖ *...it is optional to include an e-mail address, but students are encouraged to do so in the event that they forget their username and password. They will also receive technical support, valuable reminders about upcoming dates and events (EQAO, exams), updates, and tips.*

Step #4 - Select **Student** as the Type of User

Step #5 - Date of Birth

Step #6 - Ontario Education Number (OEN)

- ❖ *Please obtain this number from your teacher*
- ❖ *The OEN is also located on any report card a student may have*

A screenshot of the Homework Help registration page. At the top right is a 'Log In' section with a link for 'Forgot your username or password?' and fields for 'Username' and 'Password' with a 'Log In' button. Below this is the 'Register for Homework Help' section. It contains fields for 'Username', 'Password' (with a note 'Use 5 or more characters - no spaces'), 'Retype Password' (with a note 'Use 6 or more characters - case sensitive'), 'Email Address' (with a note 'Optional. Valid email address only.'), 'Type of User' (a dropdown menu set to 'Student'), 'Date of Birth' (with dropdowns for 'Month', 'Day', and 'Year'), and 'Ontario Education Number (OEN)'. There is a checkbox for 'I have read and agree to the Terms of Use and the Privacy Policy.' and a 'Register' button at the bottom.

Notes:

- ❖ After this registration process, students will be able to login using their Username and Password at the top right of the welcome screen
- ❖ **If a student forgets their Username and password**, they may re-register with their OEN and date of Birth, but their original Username will be restored
- ❖ Teachers and other students may register as a Guest at any time, but will be *unable to ask questions* to the tutors in the Chat Rooms

What Next?

After students have successfully registered, they will obtain exclusive access to the Homework Help website.

We made a separate **Teacher Resources** section for you to learn more about the site. Check it out!

For students, we suggest the following orientation activities:

1. Review resources:

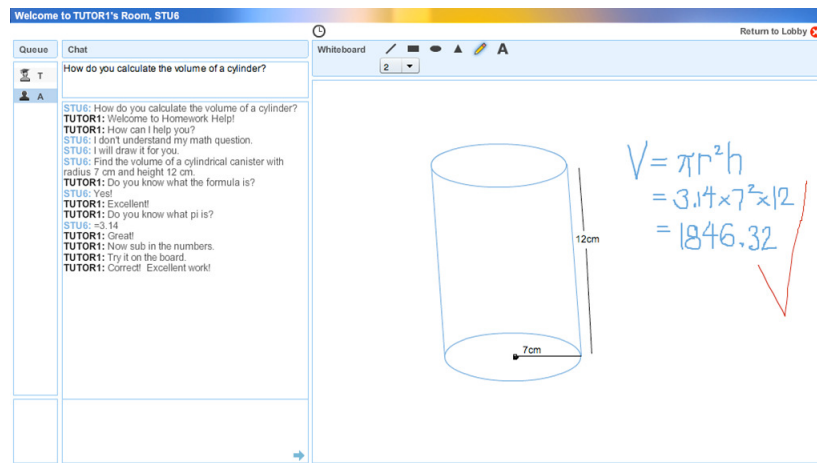

- Best Sessions
- Listen & Learn
- Tutorials

2. Click 'Watch the Chat Demo' to learn:

- How to choose a grade
- How to select a tutor and enter a chat room
- How to ask a question
- How to use the interactive whiteboard
- How to access the Locker

Points to remember:

- Tutor Chat Rooms
- are open Sunday to Thursday from
- 5:30pm to 9:30pm
- Students can watch and learn without asking a question
- When a student asks a question, their chat session will automatically be saved to their virtual Locker

3. Continue exploring the Homework Help website:

- Locker
- Scientific Calculator
- Glossary
- Change Profile
- Search our site
- Poll

4. Homework Help is Free & Anonymous!

Finally, remind students that the Homework Help website is free and available all year long. The online tutors are always ready and willing to help with any math homework question. Don't forget, students will always remain anonymous online!
